

COMPANY PROFILE

ABOUT US

Verdantfinance is a state-of-the-art investment company that operates as a primary market maker to large investors worldwide. We participate in Forex Investment, Real Estate Investment, Cryptocurrency Investment, Stock Investment, Metals, and Oil and Gas Investment.

We are an Investment company registered in Denmark. After years of trading and the success we have had, we are committed to sharing it with our investors through our long and short-term investments in trading and the profits we make. We have provided plans that will Profit our investors for a long time.

Verdantfinance team is experienced in both traditional finance and emergent blockchain technology. Vleppofx with over a decade of experience in the financial and advisory sectors, we gained a great deal of knowledge and experience, and we are ready to offer professional assistance to individuals in determining the right options for their financial investment endeavors.

We bring our history of innovation and experience in the financial sector to Verdantfinance to create a completely new model for the way in which our users interact with cryptocurrency. After years of research, we have created this platform to offer profitable opportunities with an asset-backed mode of operation.

You never have to worry about inflation or devaluation impacting your capital; Verdantfinance - Investment is a leading trading platform, that offers both investing in stocks and cryptocurrencies, as well as trading CFD with different underlying assets.
